ZENATO
The Soul of Lugana and the Heart of Valpolicella

Producer

Founded by Sergio Zenato in 1960, the Azienda is now in the hands of his children, Alberto and Nadia. With 95 hectares, running from the banks of Lake Garda to nearby Valpolicella, the largest vineyard holdings are in Lugana where they were responsible for the rebirth of the region. Their Valpolicella vineyards are all in the 'classic zone'. The wines are fermented according to their vineyard sites and ageing potential. The whites and the Bardolino are generally tank fermented whilst the majority of the reds and the Sergio Zenato range all receive time in different types of oak with four years in Slovenian casks for the Amarone Riserva.

Tasting Notes

Straw yellow colour with greenish highlights and a delicate bouquet. Riper, rounder and distinctly more characterful than most, with a crisp, refreshing finish. "Color: straw-yellow. Nose: very fragrant. Palate: delicate with just the right amount of body."

Viticulture

Zenato has 95 hectares of vineyards between their Zenato di Santa Cristina estate in San Benedetto di Lugana on the shores of Lake Garda and their Costalunga estate in Valpolicella, 30 kilometres away to the north east. The soils are limestone/clay and the vineyards face south east. Farming is conventional.

Winemaking

Protectively handled in stainless steel.
