

La Luna, Avondale Wine

Viticulture

Avondale was established on the slopes of the Klein Drakenstein Mountains to the south of the town of Paarl and 60 kilometres north east of Cape Town. The estate currently has 70 hectares of land planted with Cabernet Sauvignon, Merlot, Petit Verdot, Cabernet Franc, Semillon, Chenin Blanc, Shiraz, Mourvedre, Grenache, Viognier, Roussanne and Chardonnay vines. The vineyards are certified organic but a number of biodynamic practices are employed as well. According to soil type, vines are planted in particular soil pockets in blocks of around one-hectare. Avondale has 13 different soil types on our land – from cool, dark loam to decomposed granite and decomposed sandstone; from no rock to 75% rock. Avondale makes use of up to 10 different mixes of cover crops, which includes the sowing of the seeds of indigenous plants, to create a vibrant, diverse plant community right in the vineyards.

Product code	AWo8ZZRC
Grapes	Cabernet Franc, Cabernet Sauvignon, Malbec, Merlot, Petit Verdot
Country	SOUTH AFRICA
ABV%	14
Case Size	6
Closure Style	Cork
Producer	Avondale Wine
Vintage	2014
